

DESIGN PROJECT FACT SHEET

**State Road (SR) 5/US 1/Overseas Highway
from Mile Marker (MM) 108.426 to MM 112.953
Project Identification Number: 446005-2-52-01**

FDOT COMPASS

FDOT is committed to ensuring the State’s infrastructure serves residents, businesses, and visitors to meet their current and future transportation needs. Benefits of this project include:

COMMUNITY

- Installing new landscape

RESILIENCY

- Improving shoreline resilience and address erosion by installing landscape

SAFETY

- Adding landscape to partially obstruct views in an effort to decrease distracted drivers

WORKFORCE DEVELOPMENT

- FDOT employs local contractors in an effort to provide positive economic benefits to the community

WHAT TO EXPECT DURING CONSTRUCTION

Work will be done in phases to reduce the effects of construction on the community. Vehicular and pedestrian traffic will be impacted. During construction, temporary lane closures during non-peak hours and detours may affect traffic. Access to adjacent businesses and residences will be maintained.

PROJECT AREA
MONROE COUNTY

CURRENT COST
\$ 1.2 Million

CONSTRUCTION SCHEDULE
Work is expected to begin in Fall 2025 and last six months for installation and two years for maintenance.

Note: Dates are subject to change.
