

PROJECT FACT SHEET
FLORIDA DEPARTMENT OF TRANSPORTATION DISTRICT SIX
State Road (SR) 907/Alton Road
from 43 Street to east of Allison Road
Project Identification Numbers: 430444-1/2/4-52-01

The Florida Department of Transportation (FDOT) District Six is developing the design for a roadway reconstruction project along SR 907/Alton Road from 43 Street to east of Allison Road, in Miami-Dade County. This project is broken into three segments for construction scheduling.

PROJECT DETAILS

- Reconstructing and elevating the road within project limits
- Widening existing parking lanes between 43 Street and Pine Tree Drive
- Installing new pavement markings including markings for bicycle facilities
- Providing drainage improvements by designing and constructing a new roadway drainage system, including pump stations and outfalls to the Intracoastal Waterway
- Upgrading roadway lighting with new Light Emitting Diode (LED) fixtures
- Upgrading traffic signals
- Upgrading sidewalks and pedestrian ramps
- Installing bulb outs within the limits

ESTIMATED PROJECT COST *

- **SR 907/Alton Road from south of 43 Street to north of west 48 Street (430444-1-52-01):**
\$30 million
- **SR 907/Alton Road from north of West 48 Street to east of Allison Road (430444-2/4-52-01):**
\$65 million

**Costs are subject to change*

FOR MORE INFORMATION

If you have any questions or comments, please contact FDOT Project Manager Ivette Funtanellas, P.E. at 305-470-5270 or Communications Outreach Specialist Rodolfo Roman at 305-470-5477 or at Rodolfo.Roman@dot.state.fl.us.

PROJECT DATES *

- **SR 907/Alton Road from south of 43 Street to north of West 48 Street (430444-1-52-01):** Construction is scheduled to begin in early 2030
- **SR 907/Alton Road from north of West 48 Street to east of Allison Road (430444-2/4-52-01):** Construction is scheduled to begin in early 2030

**Dates are subject to change*

MUNICIPALITIES IN PROJECT AREA

City of Miami Beach
Miami-Dade County

POSSIBLE EFFECTS DURING CONSTRUCTION

Work will be done in phases to reduce the effects of construction on the community.

MAINTENANCE OF TRAFFIC

During construction, there will be one lane of traffic on each direction opened at all time. Sidewalks will be closed at times for safety reasons. Access to driveways and entrances to residences, condominiums and businesses will remain open. Deep trenching may be required to install drainage and utilities.

Please let us know how you prefer to receive information about future projects (mail, email, or other). Your comments are important to us. Please visit our website: www.southflroads.com. Thank you for your participation.
