## PROJECT SCHEDULE

April 2016 - March 2017

## LANE CLOSURE AND DETOUR INFORMATION

To do this work safely, it will be necessary to close travel lanes at times. Lane closures will occur during non-peak hours on non-event days, nights and weekends from:

- 9 a.m. to 3:30 p.m., weekdays and weekends
- 9 p.m. to 5:30 a.m., Sunday through Thursday
- 11 p.m. to 7 a.m., Friday and Saturday

## HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

## ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, but you might experience the following around the work site:

- Travel lane closures and detours
- Increased dust and noise
- Workers and equipment moving around the area

***Please note that this schedule could change due to bad weather or other unexpected conditions.***
