

FACT SHEET

A NEW ROADWAY PROJECT HAS BEGUN IN YOUR AREA

State Road (SR) 997/Krome Avenue
from SW 232 Street to SW 136 Street

FIN#: 427369-2/3-52-01

OVERVIEW

The Florida Department of Transportation (FDOT) has begun a roadway construction project along SR 997/Krome Avenue from SW 232 Street to SW 136 Street in Miami-Dade County.

WORK TO BE PERFORMED

- Rebuilding and widening Krome Avenue from a two-lane roadway to a four-lane roadway divided by a 40-foot grassed median
- Constructing a new bridge over the C-102 Canal
- Installing a drainage system
- Installing lighting along the length of the project
- Installing guardrail in the median along the length of the project
- Upgrading traffic signals at SW 232 Street, SW 216 Street, SW 200 Street, SW 192 Street and SW 184 Street
- Providing adequate access management and improving traffic operations throughout the corridor
- Constructing a new multi-use trail for walking and biking

PROJECT SCHEDULE

January 2019 — April 2020

ESTIMATED CONSTRUCTION COST

\$37.8 million

AFFECTED MUNICIPALITIES

Unincorporated Miami-Dade County

LANE CLOSURE AND DETOUR INFORMATION

To do this work safely, one half of the road will be under construction at a time. Access to properties will be maintained unless coordinated in advance. Work and lane closures will occur during non-peak hours on non-event days, nights and weekends from:

- 9 a.m. to 3:30 p.m., weekdays and weekends
- 9 p.m. to 5:30 a.m., Sunday through Thursday
- 11 p.m. to 7 a.m., Friday and Saturday

Lane closure and project information will be posted weekly on the department's website, www.fdotmiamidade.com.

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, but you might experience the following around the work site:

- Travel lane closures and detours
- Increased dust and noise
- Workers and equipment moving around the area

Please note that this schedule could change due to bad weather or other unexpected conditions.
