

FACT SHEET

A NEW ROADWAY PROJECT HAS BEGUN IN YOUR AREA
State Road (SR) 997/Krome Avenue
from SW 312 Street to SW 232 Street
FIN#: 427369-1-32-01, 405575-9-52-01

OVERVIEW

The Florida Department of Transportation (FDOT) has begun a new roadway improvement project, along SR 997/Krome Avenue from SW 312 Street to SW 232 Street in Miami-Dade County.

WORK TO BE PERFORMED

SR 997/Krome Avenue from SW 296 Street to SW 232 Street:

- Rebuilding and widening Krome Avenue from a two-lane roadway to a four-lane roadway divided by a grassed median
- Installing a drainage system and two new bridges
- Providing lighting along the length of the project
- Installing guardrail in the median
- Providing access management and improving traffic operations throughout the corridor
- Constructing a new multi-use trail for walking and biking
- Installing a new signalized intersection at SW 272 Street

SR 997/Krome Avenue from SW 312 Street/Campbell Drive to SW 296 Street:

- Repaving and restriping the roadway
- Removing parking and bicycle lanes; installing sharrows for vehicle/bicycle shared use of roadway
- Widening the roadway from SW 300 Street (NE 19 Street) to SW 296 Street to continue through lane
- Improving drainage system
- Enhancing existing traffic and pedestrian signals to current standards
- Upgrading signage and pavement markings

PROJECT SCHEDULE

January 2020 — early 2021

AFFECTED MUNICIPALITIES

City of Homestead, Miami-Dade County

ESTIMATED CONSTRUCTION COST

\$31.7 million

LANE CLOSURE AND DETOUR INFORMATION

To do this work safely, one half of the road will be under construction at a time. Access to properties will be maintained unless coordinated in advance. Work and lane closures will occur during non-peak hours on non-event days, nights and weekends from:

- 9 a.m. to 3:30 p.m., weekdays and weekends
- 9 p.m. to 5:30 a.m., Sunday through Thursday
- 11 p.m. to 7 a.m., Friday and Saturday

Lane closure and project information will be posted weekly on the department's website, www.fdotmiamidade.com/krome.

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The department takes steps to reduce construction effects, but you might experience the following around the work site.

- Travel lane closures and pedestrian detours
- Increased dust and noise
- Workers and equipment moving around the area

Please note that this schedule could change due to bad weather or other unexpected conditions.
