

[State Road \(SR\) 817/NW 27 Avenue Roadway Project Begins January 3](#)

The Florida Department of Transportation (FDOT) will begin a roadway project on Wednesday, January 3 along SR 817/NW 27 Avenue from SR 916/NW 135 Street to NW 187 Street. The work will last about 11 months and will cost an estimated \$9.8 million.

Work To Be Performed:

- Constructing new crosswalks at the intersections of Superior Street, Burlington Street, Ali Baba Avenue, and NW 180 Terrace
- Installing handrails along the bridge over the Biscayne Canal
- Modifying the traffic median to allow U-turns at NW 169 Terrace
- Modifying traffic medians to restrict left turns at the following side streets
 1. NW 169 Terrace
 2. NW 179 Street
 3. NW 186 Street
- Upgrading pedestrian and vehicular signals and signage
- Upgrading concrete sidewalks, curb ramps, and curb and gutters
- Upgrading light poles with new Light-emitting Diodes (LED's)
- Repaving and restriping the roadway.

Lane Closure Information:

Travel lanes and sidewalks will be closed during non-peak hours on non-event days. Non-peak hours are:

- 9 a.m. to 3:30 p.m., weekdays and weekends
- 9 p.m. to 6 a.m., Sunday through Thursday nights
- 11 p.m. to 7:30 a.m., Friday and Saturday nights

Detour Information:

Pedestrian and vehicular detours will be established at times and may exceed past the non-peak lane closures hours. Specific detour information will be provided before the corresponding construction activity is scheduled.

To build this project safely, it will be necessary to close travel lanes, sidewalks, and to establish detours at times. Work will be done in stages to minimize construction-related impacts. Drivers might experience delays traveling through the area and should seek alternate routes if possible. Please use caution when traveling through construction zones.
