Detour signage will be in place and police will be on-site directing traffic. Work during the construction period will take place 24 hours a day until completed.

The area will remain open to local business traffic. Mitigating actions will be taken to offset impacts to stakeholders throughout the project duration. For more information about this project, please contact at [jeanette.gorgas@miamidade.gov](mailto:jeanette.gorgas@miamidade.gov).
