

CONSTRUCTION PROJECT FACT SHEET

FLORIDA DEPARTMENT OF TRANSPORTATION

State Road (SR) 5/US 1/Overseas Highway from Jewfish Creek Bridge (MM 108.4) to the Miami-Dade County Line (MM 112.8)

Project Identification Number: 446005-1-52-01

FDOT COMPASS

FDOT is committed to ensuring the State's infrastructure serves residents, businesses, and visitors to meet their current and future transportation needs. Benefits of this project include:

COMMUNITIES: Reconfiguring right turn lanes at three locations to accommodate bicyclists

SAFETY: Repaving and restriping the roadway, upgrading and installing new guardrail and upgrading signage and pavement markings

RESILIENCY: Reconstructing sections of SR 5/US 1/Overseas Highway travel lanes from MM 108.4 to MM 112.8

SUPPLY CHAIN: Investment in roadways facilitates the movement of goods, serving residents and contributing to a robust and efficient supply chain

TECHNOLOGY: Intelligent Transportation Systems is state-of-the-art technology that improves infrastructure efficiency and pedestrian safety

WORKFORCE DEVELOPMENT: Collaborating with contractors and engineering firms to recruit diverse individuals, fostering workforce growth in local communities within the transportation industry

SHOULDER CLOSURE INFORMATION (BEGINNING AUGUST 26, 2024)

- Drivers can expect the current travel lanes to remain open, with the outside shoulders being closed through September 2024.

LANE CLOSURES/DETOURS (BEGINNING OCTOBER 2024)

- Temporary widening of the travel lane will be constructed to accommodate a temporary travel lane while reconstruction is ongoing.
- To reconstruct the travel lanes, intermittent nightly road closures may be implemented and traffic will be detoured to **Card Sound Road**.
- Heavy truckloads will be prohibited from utilizing the **Card Sound Road** detour as a result of posted weight limitations and will be instructed to remain on US 1/Overseas Highway until through access can be provided.
- **Advanced messaging will be provided.** Specific detour information will be provided before any corresponding activities are scheduled. Access to businesses and residences will be maintained. Information will be posted weekly on the Department's website, www.southflroads.com.

WHAT TO EXPECT

Work will be done in phases to reduce the effects of construction on the community. Temporary detours may affect traffic during non-peak hours. All detours will be established with clear signage and advance warning devices.

SCHEDULE

August 2024 - fall 2025

CURRENT PROJECT COST

\$19 Million

PROJECT AREAS

Key Largo
Monroe County

Note: Dates are subject to change.

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. For real-time traffic information, visit: www.fl511.com.
