Roadway Project Begins the Week of February 2

State Road (SR) 922/NE 125 Street/NE 123 Street

Miami, FL – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project the week of February 2, 2015. The project area extends along SR 922/NE 125 Street/NE 123 Street from NE 7 Avenue to Biscayne Boulevard in the City of North Miami. The project will cost an estimated \$1.5 million. The work will last roughly four months and includes the following:

- Reconstructing sidewalks
- Upgrading pedestrian ramps
- Repaving and restriping the roadway
- Upgrading traffic signs

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Public Information Specialist Jackie Lata at (305) 640-7441 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
