Traffic Pattern Change and Lane Reduction on NW 82 Avenue at NW 25 Street

Doral, FL – On **Tuesday, February 10**, all traffic on NW 82 Avenue south of NW 25 Street will be shifted to the east side of the roadway between NW 21 Street and NW 25 Street. The new lane configuration on NW 82 Avenue will be as follows:

Lane configuration on NW 82 Avenue south of NW 25 Street:

- **Northbound** travel lanes on NW 82 Avenue at NW 25 Street will have a shared through/left turn lane and a dedicated right turn lane.
- **Southbound** travel lanes will be reduced to one lane until north of NW 21 Street where it will open up to two lanes.

Lane configuration on NW 82 Avenue north of NW 25 Street:

- There will be one **northbound** travel lane on NW 82 Avenue north of NW 25 Street.
- **Southbound** travel lanes on NW 82 Avenue north of NW 25 Street will have one left turn lane, one through lane and one right turn lane.

This traffic pattern is expected to be in place for approximately three months and will allow the contractor to reconstruct the west side of NW 82 Avenue. In order to prepare for the traffic pattern change, the contractor will closed all southbound lanes on NW 82 Avenue between NW 29 Street and NW 25 Street on **Monday, February 9**, between the hours of 9 p.m. and 5:30 a.m. to allow the contractor to perform roadway work.

Southbound drivers on NW 82 Avenue can:

- Go east on NW 29 Street
- South on NW 79 Avenue
- West on NW 25 Street to access NW 82 Avenue

Please note that this schedule may change due to bad weather or other unforeseen conditions. For more information about the NW 25 Street Construction Project, please contact Construction Public Information Specialist Oscar Gonzalez at (786) 280-0983 or Project Engineer Nelson Perez at (305) 216-5112 or go to www.fdotmiamidade.com.
