## **Roadway Project Begins the Week of March 9**

*State Road (SR) 934/West 21 Street/NW 74 Street*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project the week of March 9, 2015. The project area extends along SR 934/West 21 Street/NW 74 Street from SR 823/West 4 Avenue/NW 57 Avenue/Red Road to Palm Avenue in the City of Hialeah. The project will cost an estimated \$95,000. The work will last roughly three months and includes the following:

- Repaving and restriping the roadway
- Upgrading pedestrian signalization at the intersection of West 21 Street and Palm Avenue

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

**Please note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Jackie Lata at 305-640-7441 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

**Celebrating 100 Years of Innovation, Mobility and Economic Development**
