## **Roadway Project Begins the Week of September 21**

*State Road (SR) 7/US 441/SW/NW 8 Avenue*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) is scheduled to begin a roadway project the week of September 21, 2015. The project area extends along SR 7/US 441/SW/NW 8 Avenue from SR 90/SW 8 Street/Calle Ocho to NW 3 Street in the City of Miami. The project will cost an estimated \$646,000. The work will last approximately four months and includes the following:

- Repaving and restriping the roadway
- Upgrading curb ramps and signage
- Installing shared use lane pavement markings and signs

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

**Please note this schedule may change due to bad weather or other unexpected conditions.**

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Sergies Duarte at 305-640-7462 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

**Celebrating 100 Years of Innovation, Mobility and Economic Development**
