## Continuous Weekend Closure of the State Road (SR) 836 to SR 826 Ramp

---

**Miami, FL** – The eastbound SR 836 flyover bridge to southbound SR 826 will be closed at 11 p.m. Friday, September 18 continuously until 6 a.m. Sunday, September 20. Drivers can:

- Go north on SR 826, exit at NW 25 Street
- West on NW 25 Street to access the SR 826 south entrance ramp

The closure will allow the contractor to place concrete for a bridge deck and allow sufficient time for the concrete to cure. **Please note that this schedule may change due to bad weather or other unforeseen conditions.**

For more information about the SR 826/SR 836 Interchange Reconstruction Project, please contact Construction Public Information Specialist Oscar Gonzalez at 786-280-0983 or Project Engineer Francis Chin at 305-388-5450 or go to [www.826-836.com](http://www.826-836.com).

Drivers are encouraged to call 511 before they drive or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT reminds drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in work zones.
