Nighttime Detour of Eastbound State Road (SR) 836

Miami, FL – On Tuesday, September 29 and Wednesday, September 30, all eastbound traffic on SR 836 will be detoured between the hours of 11 p.m. and 5 a.m. to the SR 826 north and south ramp lane immediately after NW 87 Avenue where drivers can access the eastbound SR 836 entrance ramp. The detour will allow the contractor to place asphalt on the roadway.

If weather or any other unforeseen conditions affect the closures, they will be scheduled on the next available night. For more information about the SR 826/SR 836 Interchange Reconstruction Project, please contact Construction Public Information Specialist Oscar Gonzalez at 786-280-0983 or Project Engineer Francis Chin at 786-388-5450 or go to www.826-836.com.

Drivers are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT reminds drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in work zones.

Celebrating 100 Years of Innovation, Mobility and Economic Development
