Closure of Southbound NW 87 Avenue and an Eastbound NW 25 Street Travel Lane for a Traffic Shift

Doral – On Friday morning, October 23, all eastbound travel lanes on NW 25 Street from NW 89 Court to NW 87 Avenue will be shifted to the south side of the roadway. The shift will allow the contractor to set up a work zone between the eastbound and westbound travel lanes to allow for the reconstruction of the middle of the roadway including the installation of a raised concrete median separator. In order to complete the traffic shift the following closures will be implemented:

Southbound NW 87 Avenue will be closed from NW 25 Street to NW 21 Terrace on Thursday, October 22 (Friday, October 23 is an alternate date), between the hours of 9 p.m. and 5:30 a.m. Drivers can:

- Go west on NW 25 Street, south on NW 89 Place
- East on NW 23 Street, south on NW 88 Court
- East on NW 21 Terrace to connect with NW 87 Avenue

One eastbound travel lane on NW 25 Street will be closed between NW 89 Court and NW 87 Avenue on Thursday, October 22 (Friday, October 23 is an alternate date), between the hours of 9 p.m. and 5:30 a.m.

Please note that if the work is not completed due to bad weather or other unforeseen conditions, the closure will occur on the following night. For more information about the NW 25 Street Construction Project, please contact Construction Public Information Specialist Oscar Gonzalez at 786-280-0983 or Project Engineer Nelson Perez at 305-216-5112 or go to www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT reminds drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in work zones.
