## Landscaping Project Begins the Week of January 21

*State Road (SR) 93/I-75*

---

**Miami, FL** – The Florida Department of Transportation (FDOT) is scheduled to begin a landscaping project the week of January 21, 2019. The project limits extend along SR 93/I-75 from NW 148 Street to NW 162 Street in Miami-Dade County. This project will cost an estimated \$599,000.

The work will last roughly five months and includes the following: Landscape beautification improvements to the roadway and removing and replacing diseased and damaged trees.

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

**Please note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Community Outreach Specialist Jessica Fleitas at 305-640-7441 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
