State Road (SR) A1A/MacArthur Causeway Eastbound Nighttime Lane Closure Starts January 27

One eastbound lane closed nightly; one westbound lane remains closed

Miami, FL – Beginning **Sunday, January 27 through Thursday January 31**, one eastbound travel lane on the SR A1A/MacArthur Causeway East Bridge (bridge number 870077) will be closed nightly between Terminal Island and Alton Road. The eastbound lane will be closed each night between 10 p.m. and 6 a.m. while the contractor pours concrete for the bridge deck. All eastbound lanes are scheduled to be open by 6 a.m.

The inside westbound travel lane remains continuously closed for approximately two months for partial bridge deck replacement. Westbound double lane closures will occur at night as needed.

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The closures are part of the SR A1A/MacArthur Causeway Bridge Rehabilitation Project. At least one eastbound and one westbound travel lane will remain open at all times.

For more information, please call FDOT's Public Information Office at 305-470-5349 or Construction Public Information Specialist Melissa J. Rodriguez at 1-305-570-8076 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
