Landscaping Project Begins the Week of March 4

State Road (SR) 826/Palmetto Expressway

Miami, Fla. – The Florida Department of Transportation (FDOT) is scheduled to begin a landscaping project the week of March 4, 2019. The project limits extend along SR 826/Palmetto Expressway from north of NW 74 Street to NW 154 Street in Miami-Dade County. This project will cost an estimated \$689,495.

The work will last roughly five months and includes the following: Improving and beautifying the landscape along the roadway and replacing diseased and damaged trees.

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Jessica Fleitas at (305) 640-7441 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
