**State Road (SR) A1A/MacArthur Causeway at Alton Road Flyover Closure**  
*Two-Week Continuous Closure Starts Sunday, June 16*

**Miami, Fla. – Beginning Sunday night, June 16, the flyover from eastbound SR A1A/MacArthur Causeway to northbound Alton Road will be closed continuously for up to two weeks** while the contractor replaces the bridge deck. To set up this closure, two eastbound lanes will be closed Sunday from 10 p.m. to 6 a.m. to extend the concrete barrier wall along the eastbound inside lane on the East Bridge (bridge number 870077) between Terminal Island and Alton Road.

Please note that the inside eastbound through lane will continue to be closed through mid-July while the contractor completes bridge deck replacement in this lane. One through lane and the right turn lane to southbound Alton Road will be open at all times during this closure.

**Please note that the Alton Road flyover closure may be rescheduled due to inclement weather or other unforeseen conditions.**

The closures are part of the SR A1A/MacArthur Causeway Bridge Rehabilitation Project. For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Melissa Rodriguez at (305) 570-8076 or go to the website at [www.fdotmiamidade.com/macarthur](http://www.fdotmiamidade.com/macarthur).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
