Temporary Relocation of the Northbound 95 Express Lanes Entrance During Nighttime and Weekend Lane Closures

Miami, Fla. – Starting on Monday night, June 24, the northbound 95 Express Lanes entrance will be temporarily shifted approximately one mile to the south, to approximately NW 24 Street (see attached map), during nighttime and weekend lane closure hours. The shift of the 95 Express Lanes entrance is necessary to allow the contractor to continue the concrete pavement replacement activities on northbound I-95. The temporary shift of the entrance will occur during the lane closure periods noted below:

- Sunday from 10:30 p.m. to 5:30 a.m.
- Monday through Thursday, from 9 p.m. to 5:30 a.m.
- Continuous weekend lane closures starting at 11 p.m. on Friday until 5:30 a.m. Monday.

The shift of the 95 Express Lanes entrance is expected to be in effect during lane closure periods for approximately four weeks. Please note that this schedule may change due to bad weather or other unforeseen conditions.

The closures are part of I-95 Design/Build Projects to construct five emergency stopping sites on I-95 from NW 62 Street to NW 131 Street and replace the concrete pavement from NW 29 Street to NW 79 Street as well as replace Intelligent Transportation System devices.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Oscar Gonzalez at (786) 280-0983, or go to the website at www.fdotmiamidade.com. For around-the-clock, real time, I-95 traffic information, call 511. Remember: stay safe. Stay in your lane.
