New Seven Mile Bridge Temporary Closures on Thursday, September 26
Along State Road (SR) 5/US 1/Overseas Highway

Monroe County, Fla. – The Seven Mile Bridge, located over Moser Channel between MM 40 and MM 46.8 in Monroe County, will be closed intermittently between 11:30 p.m. on Thursday, September 26 and 2 a.m. on Friday, September 27, to complete repairs safely as part of the ongoing bridge rehabilitation project.

Closures are expected to last approximately 30 minutes. During that time, drivers will be required to wait on either side of the bridge approach until notified by the police officers that traffic may resume.

Please note that this schedule may change due to bad weather or other unforeseen conditions.

For more information, please call Construction Community Outreach Specialist Paulette Summers at (786) 510-3921, or FDOT's Public Information Office at (305) 470-5349, or go to the website at www.fdotmonroe.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
