Westbound Kendall Drive Closed for Railroad Crossing Work

Miami, Fla. – Beginning at midnight on Monday, October 21, 2019, until Tuesday, October 22, 2019 at 5:00 a.m., the CSX Transportation and the Florida Department of Transportation (FDOT) will close the westbound lanes at the railroad crossing located on State Road 94/SW 88 Street/Kendall Drive between SW 97 Avenue and SW 98 Court in Miami-Dade County for these days, weather permitting. During this time, all westbound traffic will be detoured away from this crossing and directed to follow signs to alternate local streets.

This detour is being established to allow workers to perform necessary signal safety work to the CSX Railway. During the closure, workers will replace the existing roadway signalization and railroad warning devices and will be installing a signal cohabitational structure across westbound Kendall Drive to improve safety.

Traffic traveling westbound on SW 88 Street will be directed to make a left at southbound SW 97 Avenue, a right at SW 104 Street, a right at westbound Killian Parkway, and another right at northbound SW 107 Avenue and will continue until SW 88 Street.

The southbound off-ramp will be closed and traffic will be directed to use the following off-ramp at westbound Killian Parkway, then take a right at northbound SW 107 Avenue to continue until SW 88 Street.

For more information, please call the FDOT District Six Public Information Office at (305) 470-5349, or contact FDOT Consultant Project Manager Javier Hurtado at (305) 470-5166, or by email at Javier.Hurtado@dot.state.fl.us.
