Roadway Project Begins the Week of January 13

State Road (SR) 7/US 441/NW 2 Avenue

Miami, Fla. – The Florida Department of Transportation (FDOT) will begin a roadway safety improvement project the week of January 13, 2020. The project limits extend along SR 7/US 441/NW 2 Avenue from NW 171 Terrace to NW 179 Street and along the NW 7 Avenue Extension from NW 3 Avenue to NW 2 Avenue in the City of Miami Gardens. This project will cost an estimated \$2.2 million and will take about ten months to complete.

The proposed work includes: extending the northbound and southbound left-turn lanes at SR 7/US 441/NW 2 Avenue and NW 177 Street, installing a “No U-Turn” sign for northbound SR 7/US 441/NW 2 Avenue at NW 177 Street, replacing traffic signals and signs, relocating and removing trees along the corridor, and repaving and restriping the roadway.

To complete this work safely, it will be necessary to temporarily close travel lanes at times. Tasks will be done in stages and lane closures will be scheduled to keep traffic moving and avoid special community events.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call Construction Community Outreach Specialist Sergies Duarte at (305) 216-3617 or FDOT’s Public Information Office at (305) 470-5349 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
