### **Eastbound State Road (SR) 836 Ramp to Northbound I-95 Lane Shift**

**Miami, Fla.** – On Friday morning, February 7, the travel lane on the eastbound SR 836 ramp to northbound I-95 will be shifted to the right side of the ramp. The travel lane width will also be reduced to allow the contractor to set up the work zone on the left side of the ramp to continue activities to widen the ramp from one lane to two lanes.

In order to implement the lane shift, the ramp will be closed on Thursday evening, February 6 between the hours of 10 p.m. and 5:30 a.m. Drivers can:

- Continue east on I-395
- Exit at NE 2 Avenue/Biscayne Boulevard (Exit 2A)
- Turn right on NE 2 Avenue, then turn right on NE 11 Street
- Turn right on NE 1 Avenue to access the I-95 north ramp

**Please note that this schedule may change due to bad weather or other unforeseen conditions.** The closures are part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For more information, please call Construction Community Outreach Specialist Oscar Gonzalez at (786) 280-0983 or go to the website at [www.I-395miami.com](http://www.I-395miami.com). For around-the-clock, real time, traffic information, call 511 or go to [www.fl511.com](http://www.fl511.com). Remember: stay safe. Stay in your lane.
