Governor DeSantis and FDOT recognize Florida Crossing Guards and Crossing Guard Programs of the Year

TALLAHASSEE, Fla. – Last Friday, Governor Ron DeSantis and the Florida Department of Transportation (FDOT) recognized Florida’s crossing guards to thank those individuals who keep Florida’s students safe as they travel to and from school. In addition, Governor DeSantis signed a statewide proclamation to celebrate February 7, 2020, as Crossing Guard Appreciation Day. To view the proclamation, please visit [Crossing Guard Appreciation Day](#).

“Crossing guards help ensure the safety of Florida’s students as they travel to the classroom and leave their campuses each and every day,” said Florida Department of Transportation Secretary Kevin J. Thibault, P.E. “I am proud to recognize crossing guards and crossing guard programs for their positive impact on our schools and communities.”

Florida is a national leader in developing crossing guard uniform training guidelines and curriculum. FDOT provides a train-the-trainer program to educate trainers on the safe and effective techniques and crossing procedures used by crossing guards. Additionally, FDOT is partnering with law enforcement agencies and providing safety standards and uniform training throughout the state to maintain the effectiveness of the program.

Every year, FDOT reviews nominations from across the state which are submitted by schools, agencies, parents and the public to honor crossing guards who exemplify professionalism with high standards for the safety of children and crossing guard programs.
