Closure and Traffic Shift on the Westbound MacArthur Causeway Ramp to Biscayne Boulevard

Miami, Fla. – The westbound MacArthur Causeway ramp to Biscayne Boulevard will be closed on Monday, February 17 and Wednesday, February 19 between the hours of 10 p.m. and 5:30 a.m. The closures will allow the contractor to shift the travel lanes to the left side of the ramp on Thursday morning, February 20. The outside westbound lane on the MacArthur Causeway will merge to the left approximately one-half mile before the Biscayne Boulevard exit ramp. Drivers can:

- Continue west on I-395, then access the southbound I-95 ramp
- Exit at SW 7 Street/Brickell Avenue (Exit 1B), then turn left at SW 8 Street
- Enter the northbound I-95 ramp, then continue north on I-95 from the right lane
- Enter the eastbound I-395 ramp and exit at the Biscayne Boulevard/Arena ramp (Exit 2B)
- Continue east on NW 8 Street to access Biscayne Boulevard

Please note that this schedule may change due to bad weather or other unforeseen conditions. The closures are part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For more information, please call Construction Community Outreach Specialist Oscar Gonzalez at (786) 280-0983 or go to the website at www.I-395miami.com. For around-the-clock, real time, traffic information, call 511 or go to www.fl511.com. Remember: stay safe. Stay in your lane.
