**NW North River Drive Railroad Crossing Closed**

*Friday March 20, 2020 through Thursday March 26, 2020*

**Miami, Fla.** – Beginning at 6 a.m. on Friday March 20, 2020 through Thursday March 26, 2020, the South Florida Regional Transportation Authority (SFRTA) and the Florida Department of Transportation (FDOT) will close NW North River Drive at the railroad crossing located southeast of NW 36 Street in Miami-Dade County, weather permitting. During this time, all traffic will be detoured away from this crossing and directed to follow signs to alternate local streets.

This detour is being established to allow workers to perform necessary railroad work to the South Florida Rail Corridor (SFRC). During the closure, workers will replace the railroad tracks and re-surface the grade crossing to improve ride quality.

Northwest traffic on NW North River Drive will be directed to make a right at northbound NW 36 Avenue, and a left at westbound NW 36 Street and will continue until NW North River Drive.

Eastbound traffic on NW 36 Street with the intention of going southeast on NW North River Drive will be directed to continue on NW 36 Street and make a right on southbound NW 36 Avenue to NW North River Drive.
