Nighttime Paving Operations Begin March 30 Along SR 5/US 1/South Dixie Highway

Between east of SW 27 Avenue and I-95

Miami, Fla. – Beginning Monday, March 30, 2020 through Thursday, April 9, 2020, between the hours of 8 p.m. and 6:30 a.m., the Florida Department of Transportation (FDOT) will be performing nighttime paving operations along SR 5/US 1/South Dixie Highway from east of SW 27 Avenue to I-95.

During the paving operation, crews will need to close travel lanes periodically, in both directions along US 1, in order to perform the work safely. Law enforcement will be onsite directing traffic through the area during the operation.

Drivers should anticipate delays traveling through this area and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
