Single Lane Closure at Bahia Honda Bridge (MM 37)

October 17 to October 20 and October 24 to October 25

MIAMI, Fla. – Beginning Monday, October 17, 2022, one lane over the Bahia Honda Bridge will be closed as needed, Monday through Friday, between 9 a.m. and 4 p.m. while FDOT maintenance crews inspect the bridge. Only one lane will be closed in one direction at a time.

The speed limit will be reduced through the work zone during the inspection. Drivers should expect delays and use caution while traveling through the area.

Please note this schedule could change due to bad weather or other unexpected conditions.

This work is being performed as part of the statewide routine bridge inspection program. For more information, please contact FDOT's Public Information Office at (305) 470-5349.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
