Continuous Lane Closures on Southbound I-95 Begin Tonight

Miami, Fla. – Starting on Wednesday, April 15, up to four lanes on southbound I-95 will be closed from SR 112 to just south of NW 20 Street between the hours of 8 p.m. and 8 a.m. on the following day. One lane will be opened at 6 a.m., and a second lane will open at 8 a.m. Two lanes will remain continuously closed (24 hours a day/seven days a week). The southbound 95 Express Lanes from the Golden Glades Interchange to SR 112 will also be closed Sunday through Friday nights between the hours of 8 p.m. and 8 a.m. The nighttime lane closures and closure of the 95 Express Lanes will occur Sunday through Friday.

This expanded lane closure schedule is expected to be implemented for a period of approximately four weeks and will be adjusted as needed.

Please note that this schedule may change due to bad weather or other unforeseen conditions. The closures are part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.
