The Florida Department of Transportation (FDOT) Launches the 2023 “Drive Safe” Campaign

MIAMI, Fla. – The Florida Department of Transportation (FDOT) has launched the 2023 “Drive Safe” safety campaign to raise awareness of the dangers of aggressive driving. This important campaign will run through the end of 2023, and includes grassroots outreach, social media messaging, Public Service Announcements (PSAs) and other methods to spread the word to drivers throughout Miami-Dade and Monroe County. FDOT has also partnered with local agencies and organizations to spread the campaign’s message.

Outreach events will take place at various locations to educate the public on the dangers of aggressive driving and provide tips to help eliminate aggressive driving behaviors. FDOT encourages the community to participate and become safety advocates!

For more information about the campaign and upcoming events, please contact Community Safety Traffic Specialist, Shieda Castillo, at (305) 470-5313 or via email at Shieda.Castillo@dot.state.fl.us or Community Outreach Specialist, Yaisel Gonzalez, at (305) 640-8122 or via email at yaisel@iscprgroup.com. You can also visit the campaign’s website at: <http://southflroads.com/drivesafe-md>.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
