State Road (SR) 112/I-195/Julia Tuttle Causeway Continuous Lane Closure Begins Friday, October 13

One eastbound lane continuously closed; Two eastbound lanes nightly

MIAMI, Fla. – Beginning Friday night, October 13 through Monday morning, October 16 one eastbound inside lane along SR 112/I-195/Julia Tuttle Causeway will be continuously closed for median work and guardrail installation. A second eastbound lane will close nightly at 9 p.m. to perform the median reconstruction work. At least one eastbound lane will remain open at all times. Lane closures will be as follows:

Friday, October 13 – Two eastbound lanes along SR 112/I-195/Julia Tuttle Causeway will be closed from 9 p.m. to 5:30 a.m.

Saturday, October 14 – One eastbound inside lane along SR 112/I-195/Julia Tuttle Causeway will remain continuously closed. A second inside eastbound lane will be closed from 9 p.m. to 5:30 a.m.

Sunday, October 15 – One eastbound inside lane along SR 112/I-195/Julia Tuttle Causeway will remain continuously closed. A second inside eastbound lane will be closed from 9 p.m. to 5:30 a.m. All three lanes will be open by 5:30 a.m., Monday, October 16.

Westbound traffic will not be impacted. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Melissa J. Rodriguez at 1 (305) 570-8076 or Melissa@hmlpublicoutreach.com. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
