Traffic Pacing Operation to Affect Traffic on Eastbound SR 836 and SR 9/NW 27 Avenue, Friday August 23

MIAMI, Fla. – On Friday, August 23, between the hours of 1 a.m. and 3 a.m., Florida Highway Patrol (FHP) officers will slow eastbound traffic to approximately 5 mph on State Road (SR) 836 between SR 953/NW 42 Avenue and NW 17 Avenue, to allow workers to move construction material and equipment safely.

During this operation, ramps to and from SR 836 and all lanes of northbound SR 9/NW 27 Avenue between NW 7 Avenue and SR 836 will be closed.

This work is being performed as part of the Interstate 395 (I-395)/SR 836/I-95 Design-Build Project. Please note that the schedule may change because of weather or other unforeseen circumstances.

For additional information, please contact the Florida Department of Transportation Communications Office at (305) 470-5349 or Senior Community Outreach Specialist Oscar Gonzalez at (786) 280-0983. Additional project information can be found on the project website, www.I-395miami.com.

For real-time traffic and lane closure information, drivers are encouraged to visit www.fl511.com. Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones.
