Emergency Lane Closures Occurring Along Northbound State Road (SR) 817/NW 27 Avenue

Between NW 183 Street/Miami Gardens Drive and NW 185 Terrace

MIAMI, Fla. – Three northbound travel lanes along SR 817/NW 27 Avenue are **closed until further notice**, between NW 183 Street/Miami Gardens Drive and NW 185 Terrace to perform emergency repairs to utility conduits in the area. Crews are currently on-site addressing the issue. Motorists traveling along northbound SR 817/NW 27 Avenue **will be detoured via:**

- Westbound NW 183 Street/Miami Gardens Drive
- Northbound NW 32 Avenue
- Eastbound NW 191 Street in order to resume northbound travel on SR 817/NW 27 Avenue.

Drivers might experience delays traveling through the area and should seek alternate routes if possible. Updates will be provided as information becomes available.

Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or ChristianS.Gonzalez@dot.state.fl.us. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
