### **FDOT Completes Roadway Improvements along State Road (SR) 5/US 1/S Dixie Hwy**

*From east of SW 27 Avenue to I-95*

**Miami, Fla.** – The Florida Department of Transportation (FDOT) has completed the roadway project along SR 5/US 1/South Dixie Highway from east of SW 27 Avenue to I-95. The eleven month project began in October 2019 and cost an estimated \$2.7 million. H&R Paving, Inc. was the contractor awarded the project. FDOT completed this work with the support of elected officials and the community.

The following scope of work was performed on this project: modifying the intersection of SR 5/US 1 and SW 24 Avenue/Calusa Street to restrict left-turn movements from the side streets; upgrading the M-Path crosswalks underneath the Metrorail at the intersections of SR 5/US 1 and SW 22 Avenue, SW 19 Avenue, SW 17 Avenue and SW 16 Avenue; replacing damaged drainage inlet tops; replacing the mast arms at the intersection SR 5/US 1 and SW 22 Avenue; repaving and restriping the roadway throughout the project corridor; upgrading sidewalks, pedestrian curb ramps, signing and pavement markings; and improving signalization and lighting

For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Community Outreach Specialist Christian Gonzalez at (786) 837-4884, or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com)

Drivers are encouraged to call 511 or log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
