## FDOT Completes State Road (SR) 94/Kendall Drive/SW 88 Street Roadway Project from west of SW 150 Avenue to west of SW 132 Avenue

**MIAMI, Fla.** – The Florida Department of Transportation (FDOT) has successfully completed the SR 94/Kendall Drive/SW 88 Street roadway project from west of SW 150 Avenue to west of SW 132 Avenue in Miami-Dade County.

The one-year project began in February 2021 and cost an estimated \$4.6 million. The project was completed on time and under budget with the support of elected officials and the community. The contractor for this project was Weekley Asphalt Paving, Inc.

The project included included: repaving and restriping the roadway; installing a raised directional median opening for westbound left turns into the middle driveway of Kendall 147 Plaza and a westbound U-turn lane; reconstructing the median traffic separator at 147 Avenue and some intersection medians to provide for offset left turns; reconstructing damaged and uneven sidewalks; adjusting storm drain manholes; upgrading traffic signals and all pavement markings; enhancing pedestrian detectors, ramps, signals and signage; installing countdown pedestrian signal at signalized intersections; providing high emphasis crosswalks at SW 147 Avenue, SW 142 Avenue, SW 13800 Block, SW 137 Avenue, SW 133 Avenue and SW 132/130 Avenue; and installing new storm water drainage system.

For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Senior Community Outreach Specialist Jeanette Gorgas at (786) 239-8862, or [jgorgas@mrqmiami.com](mailto:jgorgas@mrqmiami.com). For additional information about this or other FDOT projects, please visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
