Upcoming Nighttime Full Closure along State Road (SR) 9A/I-95 Near Hallandale Beach Boulevard

MIAMI, Fla. – Monday, November 20, there will be a full closure of the general purpose and express lanes along SR 9A/I-95 near Hallandale Beach Boulevard at nighttime. This work is scheduled through 5 a.m. Tuesday, November 21, 2023 to install a new overhead electronic message board as part of the ITS Replacement Project. A detour will be established to guide drivers around the work. The closures are as follows:

Monday, November 20

- All northbound and southbound express lanes along SR 9A/I-95 near Hallandale Beach Boulevard will be closed from 9 p.m. through 5 a.m. Tuesday, November 21.
 - The northbound express lanes entrance ramp located at Miami Gardens Drive will be closed.
 - The southbound express lanes entrance ramp located at Stirling Road will be closed.
- All southbound general purpose lanes along SR 9A/I-95 just south of Hallandale Beach Boulevard will be closed from 11 p.m. through 5 a.m. Tuesday, November 21.

Drivers traveling south along SR 9A/I-95 wishing to continue south will have to:

- Exit at Hallandale Beach Boulevard and proceed west
- Turn south on US 441/SR 7
- Turn east on Ives Dairy Road
- Turn south on the Ives Dairy Road entrance ramp to SR 9A/I-95

Drivers traveling east along Hallandale Beach Boulevard wishing to travel south on SR 9A/I-95 will have to:

- Continue east on Hallandale Beach Boulevard
- Turn south on US 1
- Turn west on Ives Dairy Road
- Turn south on the Ives Dairy Road entrance ramp to SR 9A/I-95

Drivers traveling west along Hallandale Beach Boulevard wishing to travel south on SR 9A/I-95 will have to:

- Continue west on Hallandale Beach Boulevard
- Turn south on US 441/SR 7
- Turn east on Ives Dairy Road
- Turn south on the Ives Dairy Road entrance ramp

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Sandra Bello at (305) 510-0827 or Sandra@hmlpublicoutreach.com. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
