## Upcoming Closures along State Road (SR) 9A/I-95 Near Ives Dairy Road

*Friday, December 1 through Tuesday, December 5*

**MIAMI, Fla.** – Beginning Friday, December 1, there will be nighttime closures of general purpose and express lanes along SR 9A/I-95 near Ives Dairy Road. This work is scheduled through Tuesday, December 5, 2023 to install a new overhead electronic message board as part of the ITS Replacement Project. A detour will be established to guide drivers around the work. The closures are as follows:

### **Friday, December 1**

- All southbound general purpose and express lanes along SR 9A/I-95 between Ives Dairy Road and SR 860/Miami Gardens Drive will be closed from 11 p.m. through 8 a.m. Saturday, December 2.
  - The southbound express lanes entrance ramp located at Stirling Road will be closed.

### **Saturday, December 2**

- All northbound and southbound express lanes along SR 9A/I-95 between Ives Dairy Road and SR 860/Miami Gardens Drive will be closed from 9 p.m. through 8 a.m. Sunday, December 3.
  - The northbound express lanes entrance ramp located at Miami Gardens Drive will be closed.
  - The southbound express lanes entrance ramp located at Stirling Road will be closed.
- All southbound general purpose lanes along SR 9A/I-95 between Ives Dairy Road and Miami Gardens Drive will be closed from 11 p.m. through 8 a.m. Sunday, December 3.

### **Monday, December 4**

- All southbound general purpose lanes along SR 9A/I-95 between Ives Dairy Road and SR 860/Miami Gardens Drive will be closed from 11 p.m. through 5 a.m. Tuesday, December 5.

The detour to guide drivers around this work is as follows:

**Drivers traveling south along SR 9A/I-95 wishing to continue south will have to:**

- Exit at Ives Dairy Road and proceed west
- Turn south on US 441/SR 7
- Turn south on the Golden Glades Interchange entrance ramp to SR 9A/I-95

**Drivers traveling east along Ives Dairy Road wishing to travel south on SR 9A/I-95 will have to:**

- Continue east on Ives Dairy Road
- Turn south on US 1/Biscayne Boulevard
- Turn west on SR 860/Miami Gardens Drive
- Turn south on the SR 860/Miami Gardens Drive entrance ramp to SR 9A/I-95

**Drivers traveling west along Ives Dairy Road wishing to travel south on SR 9A/I-95 will have to:**

- Continue west on Ives Dairy Road
- Turn south on US 441/SR 7
- Turn east on SR 860/Miami Gardens Drive
- Turn south on the SR 860/Miami Gardens Drive entrance ramp

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Sandra Bello at (305) 510-0827 or [Sandra@hmlpublicoutreach.com](mailto:Sandra@hmlpublicoutreach.com). For additional information about this or other FDOT projects, please visit [www.southflroads.com](http://www.southflroads.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
