Upcoming Nighttime Closures along Southbound State Road (SR) 5/US 1/South Dixie Highway at SW 62 Avenue *Tuesday through Thursday Nights*

MIAMI, Fla. – Beginning Tuesday, February 13, there will be a full nighttime closure of southbound SR 5/US 1/South Dixie Highway at SW 62 Avenue. This closure is part of the ongoing ITS Replacement Project and is scheduled Tuesday through Thursday between 11 p.m. and 5 a.m. while the contractor installs a new overhead electronic message board. A detour will be established to help guide motorists around the work.

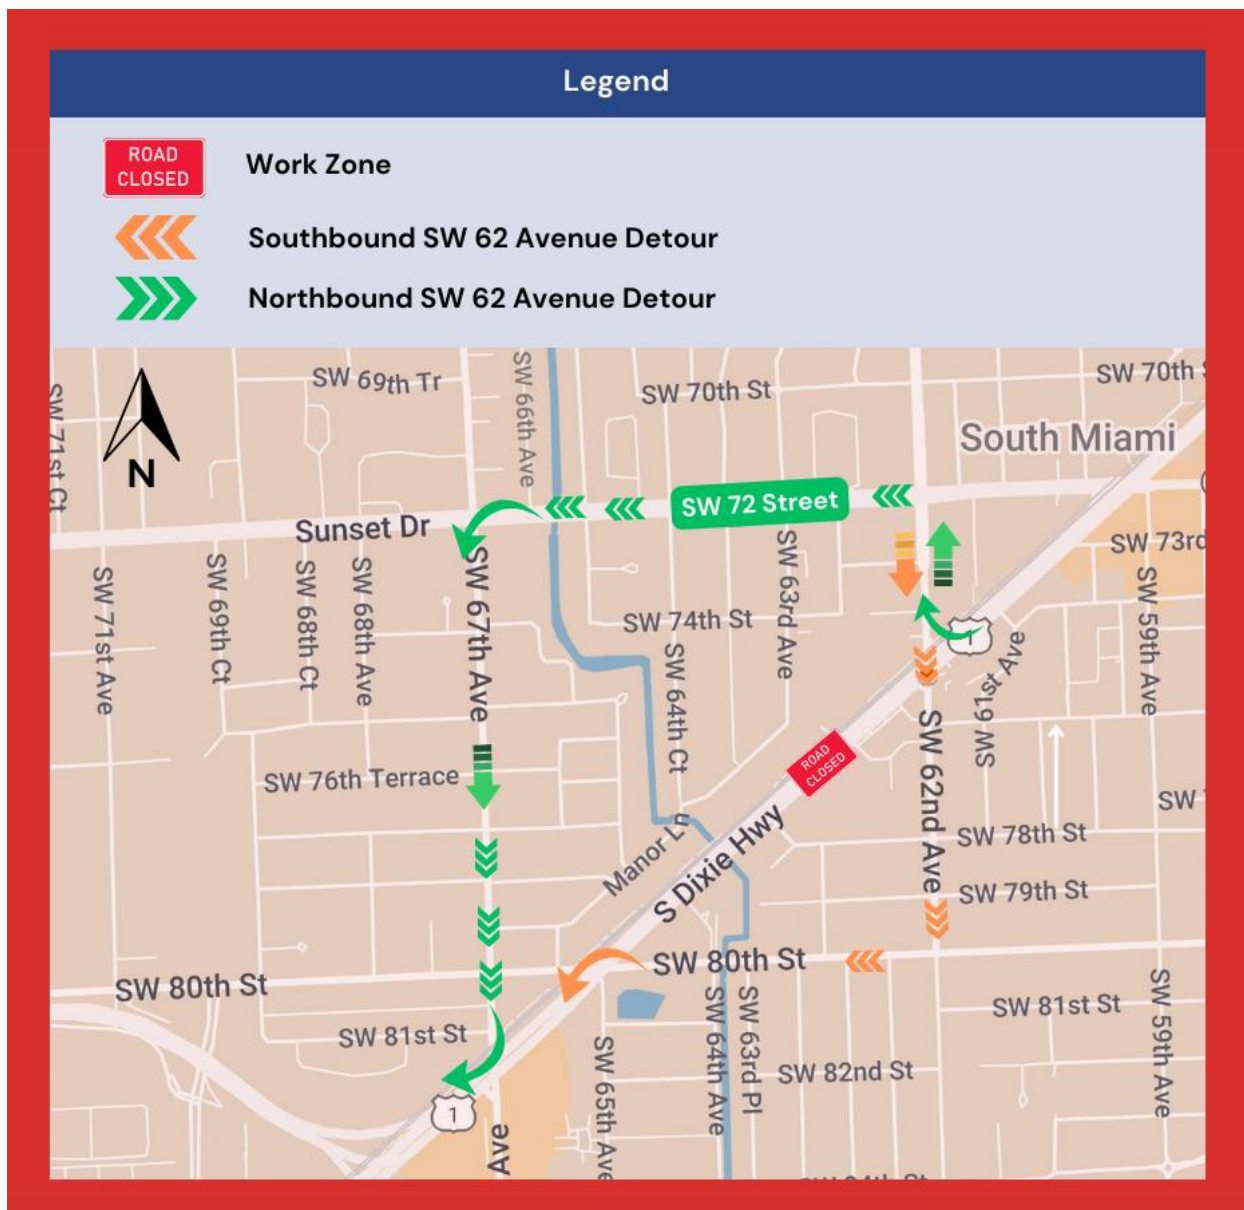

Drivers traveling south along US 1 will have to:

- Turn north on SW 62 Avenue
- Turn west on SW 72 Street
- Turn south on SW 67 Avenue
- Continue south on SR 5/US 1/South Dixie Highway

Drivers traveling south along SW 62 Avenue will have to:

- Continue south on SW 62 Avenue
- Turn west on SW 80 Street
- Turn south on SR 5/US 1/South Dixie Highway

Detour Map

For more information, please call FDOT’s Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Sandra Bello at (305) 510-0827 or Sandra@hmlpublicoutreach.com. For additional information about this or other FDOT projects, please visit www.southroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

###

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
