August 4, 2023

Contact: Tish Burgher

(305) 470-5277 | Tish.Burgher@dot.state.fl.us

POSTPONED: Westbound NE 203 Street/Ives Dairy Road Detour Near State Road (SR) 5/ US 1/Biscayne Boulevard

Work anticipated to be scheduled later in August

MIAMI, Fla. – The previously scheduled detour along westbound NE 203 Street between the Florida East Coast Rail tracks and the Biscayne Boulevard has been postponed until later this month. An updated press release with detour route will be distributed as soon as the work is rescheduled.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Heather M. Leslie at (305) 905-5876 or Heather@hmlpublicoutreach.com. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
