## Secretary Kevin J. Thibault, P.E. Selects Stacy L. Miller, P.E. as District Six Secretary

**MIAMI, Fla.** – Today, Florida Department of Transportation (FDOT) Secretary Kevin J. Thibault, P.E., announced the appointment of Stacy L. Miller, P.E., to serve as FDOT District Six Secretary. Miller has more than three decades of experience in the transportation arena, having begun her career with FDOT as a professional engineer trainee in District Four in 1991.

“South Florida continues to be one of Florida’s most diverse regions and an area experiencing exponential growth,” said **Florida Department of Transportation Secretary Kevin J. Thibault, P.E.** “With her knowledge of the transportation industry and vast experience with FDOT, I am confident Stacy will lead District Six in preparing South Florida’s transportation infrastructure for future generations.”

“I am excited to be going back to South Florida to find innovative solutions to the safety and mobility challenges facing our transportation system,” said **District Six Secretary Stacy Miller.** “I look forward to furthering the partnerships within Miami-Dade and Monroe counties to ensure we provide a safe, efficient transportation system for our state’s residents and visitors.”

Miller is a graduate of the University of Florida and previously served as the Director of Transportation Development, Program Management Engineer, Consultant Project Management Section Leader, Consultant Project Manager, and Senior Roadway Designer in District Four. In April 2019, she was appointed Assistant Secretary for Finance and Administration for the department.

This announcement follows the retirement of District Six Secretary James Wolfe, P.E. who spent 43 years at FDOT and served as District Six Secretary since May 2016.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
