FDOT to Host an Alternatives Workshop for Atlantic Isles at West of A1A Project Development and Environment (PD&E) Study

June 23, 2022

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host an Alternatives Workshop for the Atlantic Isles at West of A1A (Bridge No. 874218) PD&E Study in the City of Sunny Isles Beach, in Miami-Dade County. The workshop will be held both in-person and virtually starting at 6 p.m. on Thursday, June 23, 2022. The study will fully evaluate potential alternatives to improve the existing bridge structure, so that it is safe and functional for the traveling public.

Attend in Person:

Sunny Isles Beach Gateway Center, **151 Sunny Isles Boulevard, Sunny Isles Beach, FL 33160**. Register online at www.fdotmiamidade.com/atlanticislesbridge. All current Centers for Disease Control and Prevention (CDC) guidelines will be observed.

Attend Virtually:

Visit: <https://attendee.gotowebinar.com/register/3105107021843563531>. Participants can also call in by dialing **+1 (866) 901-6455**; access code: **638-293-599**.

The workshop will consist of a formal presentation of the proposed alternatives for the project, including existing as well as social, environmental and economic effects, followed by a question and answer session. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the workshop, a response will be provided in writing afterwards.

For more information about the workshop or project, please contact FDOT District Six Public Information Office at (305) 470-5340 or Community Outreach Specialist, Monica Diaz, at (305) 984-2715 or via email at monica@iscprgroup.com. You can also visit the project webpage: www.fdotmiamidade.com/atlanticislesbridge.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Florida Highway Administration (FHWA) and FDOT.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu, P.E. at (305) 470-5219 or in writing to FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Nicholas.Danu@dot.state.fl.us at least seven days prior to the meeting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
