FDOT to Host Golden Glades Interchange (GGI) Project Hybrid Public Meeting

Thursday, May 9, 2024

MIAMI, Fla. – The Florida Department of Transportation (FDOT) will host a meeting, both in-person and virtually, for the GGI Project starting at 6 p.m. on Thursday, May 9, 2024.

A hybrid public meeting will be held at North Miami Beach City Hall, 17011 NE 19 Ave, North Miami Beach, FL 33162. [Click here for the public meeting webpage.](#)

Attend Virtually:

To register, please visit <https://www.Go-GGI.com/public-meeting-may-2024/>.

Participants can also call in by dialing +1 (562) 247-8321 and using access code: 932-349-194.

The meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the meeting, a response will be provided in writing afterwards.

The project will enhance regional mobility by revitalizing this major transportation hub, which includes connections to five essential roadway systems in the South Florida area: State Road (SR) 9A/I-95, SR 826/Palmetto Expressway, SR 91/Florida's Turnpike, SR 9 and SR 7/US 441/NW 7 Avenue. Construction has started and is scheduled through fall 2031. The current project cost is \$908 million.

The GGI Project is part of the Moving Florida Forward Infrastructure Initiative. Project benefits include constructing 32 new bridges to enhance regional mobility and provide direct connections between communities, updating lighting, improving emergency access and incident response times via new lanes and ramps, installing more than 50,000 feet of new drainage pipe, updating facilities for improved longevity, installing wrong-way vehicle detection systems at various locations and installing 72 traffic monitoring cameras.

Please note that this schedule may change due to bad weather or other unexpected conditions.

For additional information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Community Outreach Specialist Sergies Duarte at (305) 588-6399 or Sergies.Duarte@dot.state.fl.us. For more information about this project, please visit www.Go-GGI.com.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Tish Burgher at (305) 470-5277 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Tish.Burgher@dot.state.fl.us at least seven (7) days prior to the meeting.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
