FDOT to Hold Hybrid Public Meeting for State Road (SR) 90/SW 8 Street/SW 7 Street PD&E Study

From SR 9/SW 27 Avenue to SR 5/US 1/Brickell Avenue

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host a Public Information Meeting, both in-person and virtually, regarding a PD&E Study for SR 90/SW 8 Street and SW 7 Street from SR 9/SW 27 Avenue to SR 5/US1/Brickell Avenue. The meeting will be held both virtually and in-person on Tuesday, August 30, 2022, starting at 6 p.m., with a formal presentation at 6:30 p.m.

To attend the virtual Public Meeting online:

The virtual meeting will be held online using GoTo Webinar. To participate from your computer, tablet, or smartphone, please register at

www.fdotmiamidade.com/CalleOchoStudy.html

Participants can also use their phone by dialing 1 (213) 929-4221 and using access code: 524-067-880.

To attend the in-person Public Meeting:

The in-person public meeting will be held at Miami-Dade College Eduardo J. Padrón Campus located at 627 SW 27 Avenue, Miami, FL 33135. Visit

www.fdotmiamidade.com/CalleOchoStudy.html. All current Centers for Disease Control and Prevention (CDC) guidelines and social distancing rules will be observed.

This Public Meeting is being held to provide residents and public officials with a status update of this Project Development and Environment or PD&E study. The presentation will be followed by the opportunity for public comments.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu, P.E. at (305) 470-5219; in writing to FDOT, 1000 NW 111 Avenue, Miami, FL 33172; or by email at Nicholas.Danu@dot.state.fl.us at least seven (7) days prior to the public meeting.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May

26, 2022, and executed by FHWA and FDOT.

For further information about this project or the public meeting, please contact Project Manager Bao-Ying Wang, P.E. by telephone at (305) 470-5211 or by email at BaoYing.Wang@dot.state.fl.us. You may also visit the project website at www.fdotmiamidade.com/CalleOchoStudy.html.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
