## FDOT to Host a Public Kick-off Meeting for State Road (SR)934/NE 79 Street Project Development and Environment (PD&E) Study

*October 25, 2022*

**MIAMI, Fla.** – The Florida Department of Transportation (FDOT) District Six will host a Public Kick-off Meeting for the SR 934/NE 79 Street (John F. Kennedy Causeway) PD&E Study from west of Pelican Harbor Drive to east of Adventure Avenue. The public meeting will be held simultaneously, both in-person and virtually, on Tuesday, October 25, 2022, from 6:30 p.m. to 8 p.m.

### **Attend In Person**

The in-person meeting will be located at North Shore Youth and Park Center, 501 72 Street, Miami Beach, FL 33141. All current Centers for Disease Control and Prevention (CDC) guidelines and social distancing will be followed. To attend in-person please register online at: [bit.ly/SR934-79ST-Registration](https://bit.ly/SR934-79ST-Registration)

### **Attend Virtually**

To participate virtually from your computer, tablet or smartphone please register using the following link: <https://attendee.gotowebinar.com/register/845198312226599438>.

Participants can also call in by dialing **+1 (562) 247-8422**; access code: **181-987-895**.

The Public Kick-off Meeting will consist of a formal presentation starting at 6:45 p.m. followed by an open discussion. Questions will be responded to as time permits, in the order received. If your question is not responded to during the meeting, a response will be provided in writing. Persons wishing to submit statements, in place of or in addition to oral statements, may do so at the meeting or by sending them to the Community Outreach Specialist. All statements postmarked on or before November 4, 2022, will become part of the meeting record.

The objective of this study is to evaluate bridge replacement alternatives to address structural deficiencies of four existing bridges (two bridge pairs) along SR 934/NE 79th Street. This meeting is an opportunity for the public to learn about the purpose and need of this study and how to provide feedback.

For more information about the meeting or project, please contact Community Outreach Specialist Jeanette Gorgas at 786-239-8862 or via email at [jgorgas@mrgmiami.com](mailto:jgorgas@mrgmiami.com).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May 26, 2022, and executed by Federal Highway Administration and FDOT.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu, P.E. at 305-470-5219 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: [Nicholas.Danu@dot.state.fl.us](mailto:Nicholas.Danu@dot.state.fl.us) at least seven days prior to the meeting.

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities*
