FDOT to Host Public Meeting for NW 67 Avenue Improvements Corridor Study

July 19, 2023

MIAMI, Florida. – The Florida Department of Transportation (FDOT) will host a public meeting both in-person and virtually, for the NW 67 Avenue Improvements Corridor Study. The NW 67 Avenue corridor is approximately 0.81 miles long; and is adjacent to the Village of Virginia Gardens and the western section of the Miami International Airport (MIA) in Miami-Dade County, Florida. The public meeting will provide the community with the opportunity to be directly engaged in the planning and development process of the study. The meeting will be held on **Wednesday, July 19, 2023, at 6 p.m.**

In-Person Public Meeting:

Holiday Inn, located at 1111 S. Royal Poinciana Boulevard Miami Springs, FL 33166.

Virtual Public Meeting:

Visit the link: <https://attendee.gotowebinar.com/register/3094850785963155800>. Participants can also call in by dialing +1 (866) 901-6455; Access Code: 611-003-310.

The public meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions as time permits, in the order received. If your question is not responded to during the event, a response will be provided in writing after the meeting.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990, or who need translation services (free of charge), should contact Tish Burgher at (305) 470-5277 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Tish.Burgher@dot.state.fl.us at least seven (7) days prior to the workshops.

For more information about the meeting or project, please contact the Community Outreach Specialist, Yaisel Gonzalez, at (305) 640-8122 or via email at yaisel@iscprgroup.com.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
