State Road (SR) 5/US 1/S Dixie Highway Design Project Public Meeting *March 15, 2022*

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host a meeting, both in-person and virtually, for a roadway project along SR 5/US 1/S Dixie Highway from SW 100 Street to SW 88 Street starting at 6 p.m. on Tuesday, March 15, 2022.

The In-Person Public Meeting will be held at:

Coral Pine Park, 6955 SW 104 Street, Pinecrest, FL 33156. All current Centers for Disease Control and Prevention (CDC) guidelines will be followed. To RSVP click [here](#).

To attend the Virtual Public Meeting online:

Visit the link: <https://register.gotowebinar.com/register/2810525863742504972>
Participants can also call in by dialing +1 (914) 614-3221; Access code: 758-292-241

The proposed improvements include: repaving and restriping the roadway; adjusting manholes; upgrading all pedestrian signals, signs and curb ramps and upgrading signage and pavement markings with special emphasis crosswalks.

Construction is expected to begin November 2024 and last about seven months. The estimated construction cost for this project is \$1.7 million.

The meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the meeting, a response will be provided in writing afterwards

For more information about the meeting or project, please contact Community Outreach Specialist at (305) 470-5477 or via email at Rodolfo.Roman@dot.state.fl.us.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at 305-470-5219 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Nicholas.Danu@dot.state.fl.us at least seven (7) days prior to the meeting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
