State Road (SR) 5/US 1 Design Project Public Meeting

July 6, 2022

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host a meeting, both in-person and virtually, for a roadway project at the intersection of SR 5/US 1 and SW 137 Avenue starting at 6 p.m. on Wednesday, July 6, 2022.

In-Person Public Meeting will be held at:

Naranja Branch Library, 14850 SW 280 Street, Miami, FL 33032. All current Centers for Disease Control and Prevention (CDC) guidelines will be followed.

To RSVP click [here](#).

To attend the Virtual Public Meeting online:

Visit the link: <https://attendee.gotowebinar.com/register/8570175691526303247>

Participants can also call in by dialing +1 (914) 614-3221; Access code: 548-147-847

The proposed improvements include: modifying access to Tropical Avenue to a right turn only and constructing a median; relocating southbound U-turn movement south of the intersection; extending the traffic separator to increase the left turn lane vehicle capacity; adding a new left-turn lane in the northbound to westbound direction; upgrading pedestrian ramps, signs and pavement markings; adding a new traffic light; repaving and restriping the roadway; relocating existing drainage and landscape and upgrading lighting at the intersection.

Construction is expected to begin January 2025 and last about six months. The estimated construction cost for this project is \$1.2 million.

The meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the meeting, a response will be provided in writing afterwards.

For more information about the meeting or project, please contact Community Outreach Specialist at (305) 470-5477 or via email at Rodolfo.Roman@dot.state.fl.us.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at 305-470-5219 or in writing at FDOT, 1000 NW 111

Avenue, Miami, FL 33172 or by email at: Nicholas.Danu@dot.state.fl.us at least seven (7) days prior to the meeting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
