**State Road (SR) 916/NW 135 Street/NW 136 Street Design Project
Public Meeting
September 21, 2022**

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host a meeting both in-person and virtually, for a roadway project along of SR 916/NW 136 Street/NW 135 Street from NW 30 Avenue to NW 27 Avenue, starting at 6 p.m., on Wednesday, September 21, 2022.

In-Person Public Meeting will be held at:

Sherbondy Village, 215 N Perviz Ave, Opa-locka, FL 33054. All current Centers for Disease Control and Prevention (CDC) guidelines will be followed. To RSVP click [here](#).

Participants can also call in by dialing +1 (631) 992-3221; Access code: 672-774-756

The proposed improvements include: Modifying the intersection of NW 136 Street and NW 27 Avenue by shifting the westbound Opa-Locka Boulevard entrance further west to improve safety; enhancing lanes at the intersection of NW 135 street and NW 27 Avenue by adding westbound dual left turns; adding a new traffic signal; improving sidewalk connectivity; upgrading pedestrian signage, signals and ramps; repaving and restriping the road and improving drainage.

Work is expected to begin in spring 2024 and last about seven months. The estimated construction cost for this project is \$1.6 million.

The meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the meeting, a response will be provided in writing afterwards.

For more information about the meeting or project, please contact Community Outreach Specialist at (305) 470-5477 or via email at Rodolfo.Roman@dot.state.fl.us.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
