State Road (SR) 994/Quail Roost Drive/SW 200 Street Design Project Public Meeting

April 5, 2022

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host a meeting, both in-person and virtually, for a roadway project along SR 994/Quail Roost Drive/SW 200 Street from Krome Avenue to SW 137 Avenue starting at 6 p.m. on Tuesday, April 5, 2022.

In-Person Public Meeting will be held at:

South Dade Regional Library, 10750 SW 211 Street, Miami, FL 33189. All current Centers for Disease Control and Prevention (CDC) guidelines will be followed.

To RSVP click [here](#).

To attend the Virtual Public Meeting online:

Visit the link: <https://attendee.gotowebinar.com/register/2761956037781714189>

Participants can also call in by dialing +1 (914) 614-3221; Access code: 950-215-652

The proposed improvements include: repaving and restriping the roadway; modifying the paved shoulders; upgrading the guardrail west of SW 168 Avenue northbound; upgrading traffic signage and pavement markings; removing landscape encroaching the road; providing wider stop bars at SW 167 Avenue going northbound and southbound; improving swale areas and constructing five-foot shoulders through the existing driveway areas to improve connectivity.

Construction is expected to begin June 2023 and last about nine months. The estimated construction cost for this project is \$4.3 million.

The meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the meeting, a response will be provided in writing afterwards.

For more information about the meeting or project, please contact Community Outreach Specialist at (305) 470-5477 or via email at Rodolfo.Roman@dot.state.fl.us.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at 305-470-5219 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Nicholas.Danu@dot.state.fl.us at least seven (7) days prior to the meeting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
